

Programs and Projects	Objective	Description
Special Program for the Employment of Students (SPES)	To provide temporary employment to poor but deserving student, out-of-school youth, and dependents of displaced or would-be displaced workers during summer and/or Christmas vacation or any time of the year to augment the family's income to help ensure that beneficiaries are able to pursue their education	The program provides the youth with valuable experience for better school-to-work transition. Youth are employed for a minimum of 20 to a maximum of 78 working days where participating employers pay 60% of their salary while the DOLE pays the 40% share based on the applicable minimum wage in the area.
JobStart	To enhance employability of the youth by reducing their job-search period and increasing their employability through training (life skills and technical skills required by industries), paid internship and full-cycle employment facilitation services. The program is also designed to increase the capacity of Public Employment Service Office (PESOs) in providing full cycle employment facilitation services.	The JobStart trainees shall receive an allowance for the duration of life skills training and technical skills training and shall undertake internship with establishments for a maximum of three months with stipend not less than 75% of the prevailing minimum wage in the locality.
Public Employment Service (PES)	To carry out full employment and equality of employment opportunities for all, and for this purpose, to strengthen and expand the existing employment to facilitation service machinery of the government particularly at the local level.	The Public Employment Service Office or PESO is a non-fee charging multi-employment service facility or entity established or accredited pursuant to Republic Act No. 8759 otherwise known as the PESO Act of 1999. PESO offers special services such as Livelihood and Self-Employment Bazaars. Special Program for the Employment of Students and Out-of-School Youth and Job Fairs.
Labor Market Information	To provide information for employers and potential employees regarding future labor market conditions by occupation, in-demand jobs and skills shortage through client-specific information,	Labor Market Information provides timely relevant and accurate signals on the current labor market such as in-demand jobs and skills shortages by developing client-specific LMI, Education and Communication of the DOLE to support the Career Guidance Advocacy

Labor and Employment Education Program	To enlighten, educate and provide knowledge on the rights and responsibilities of workers and employers, work ethics, values, skills and other relevant information to enable them to become responsible partners in building harmonious labor-management relations and the attainment of decent and productive work.	The Department of Labor and Employment is innovating its labor and management education services from its traditional pedagogical style of delivery towards a more pro-active, coherent, technology-based, accessible and comprehensive approach. This new approach shall make use of integrated modules and other instruction and informational materials. Such as learning audio-visuals in order to reach out more to its target clientele.
Single Entry Approach (SEnA)	To provide a speedy, impartial, inexpensive and accessible settlement procedure for all issues/complaints arising from employer-employee relations to prevent them from ripening into a full-blown disputes	Under this approach, all labor and employment disputes shall undergo a 30-day mandatory conciliation-mediation process to effect settlement among the contending parties.
DOLE Integrated Livelihood Program and Emergency Employment Program (DILEEP)	To contribute to poverty reduction and reduce the vulnerability to risks of the working poor, venerable and marginalized workers either through emergency employment, and promotion of entrepreneurship and community enterprise.	(2) components: A. Kabuhayan or DOLE Integrated Livelihood Program (DILP) is a flagship program of the DOLE that provides grant assistance for capacity-building on livelihood and entrepreneurial ventures for vulnerable and marginalized workers. B. Tulong Panghanapbuhay sa Ating Disadvantaged/Displaced Workers (TUPAD) or Emergency Employment Program is a community-based (municipality/barangay) package of assistance that provides emergency employment for displaced workers, the under employed and the unemployed poor for a minimum of 10 days but not to exceed 30 days, depending on the nature of work.
Government Internship Program	To provide opportunities and engage young workers to serve general public in government agencies/entities projects	The program provides young workers, particularly the poor/indigent and young workers, opportunity to demonstrate their talents and skills in the field of public service with the ultimate objective of

	and programs at the national and local levels.	attracting the best and the brightest who want to pursue a career in the government service, particularly in the fields and disciplines related to labor and employment.
K-to-12 DOLE Adjustment Measures Program	To support Higher Education Institution (HEI) personnel in their transition to self or full-time employment through: (1) Financial Support; (2) Employment Facilitation and (3) Training and Livelihood.	All displaced HEI personnel caused by the implementation of RA 10533 are covered by the program, both teaching and non-teaching HEI personnel. Fixed-termers and contractual whose contracts were not renewed due to K-to-12 are also identified beneficiaries.
Family Welfare Program	To introduce the concept of promoting the welfare of workers and their families as a key to workplace productivity and improves worker-management relations.	It is an advocacy program that draws corporate support in promoting worker's quality of life by adopting a family centered approach in the workplace.
Child Labor and Prevention and Elimination Program	To remove children from child labor particularly in its worst forms.	The program contributes to the Philippine Program Against Child Labor of the national government interventions for eliminating or preventing child labor by promoting: child-focused actions, rights-based approach, results-based management, gender-responsiveness, cultural sensitivity, sustainable development, children and youth participation, good governance, decent work for all, community development, inter-agency, tripartite and multi-sectoral collaboration.
